## April Board Meeting Update

The April 28, 2020 HOA board meeting will be held virtually due to social distancing guidelines.

If you're interested in attending, email the HOA ([hoa@baytownewest.com](mailto:hoa@baytownewest.com)) and you'll be sent an invitation to join the [Zoom video conference](#) on your computer. If you don't have computer access and wish to participate, please contact a board member for further help. The agenda will be posted on the website [baytownewest.com](http://baytownewest.com) (click on *Events*), or visit the bulletin board outside the pool.

## The HOA requires current proof of insurance.

Do we have your proof of insurance? The rules and regulation specifics are located on the website. To learn more, just click on *Documents > Rules > Proof of Insurance*

Due to COVID-19, the pool and pool area are closed until further notice.

**Guest parking is reserved for guests ONLY.**

Overnight parking in these spots requires prior permission from the HOA.

**Please refrain from interacting with our service professionals.**

They've been hired to do a job for our community, not for individual homeowners.
